& Landscape**

2023 Spring Clean Up Specials!

Let Gibbs Lawn help beautify your property this Spring!

The services we provide include:

- Remove leaves and debris out of your landscaped areas, mow, vacuum, and haul leaves and debris away.
- Clean out Gutters/Rototill Gardens.
- Clean out perennial or annual beds.
- Fertilize plants and apply Weed Control in landscaped areas.
- Light Power Raking Note: Due to the size of our machine, it cannot go thru small gates or be used on lots that are smaller than 6,000 sq. ft.

WE ALSO OFFER A 5% PREPAY DISCOUNT ON OUR SEASONAL 5 STEP PROGRAM

Schedule your Personal Consultation with owner, Cathy Gibbs!

New Lawn Care customers can call to schedule an appointment with Cathy Gibbs to assess your lawn and landscaping.

Save \$200 Off on any projects over \$1,000.

Mention this discount when you call or print out this offer and present it to Cathy to save.

Call and schedule your appointment today! 763-712-8339

\$20.00 off your Spring Gypsum Application*

*(when you sign up for our 5 Step Lawn Care Program).

New customers only.

Gypsum is a natural product; it adds nutrients and minerals into the soil that become depleted over time. Gypsum also aides in the overall health of the soil, which helps with the recovery of winter stress, damage, and dog spots.

Have a lush green, weed-free lawn, with Lawn Care services from Gibbs Lawn.
